

## APRIL INSKEEP

April Inskeep began clerking for Judge Tucker in August 2016. April was born and raised on a dairy and crop farm in Mount Airy, Maryland, and actively participated in the 4H program. She attended Linganore High School and played soccer. April earned her Bachelor's Degree from Towson University, where she studied criminal justice and interned with State Farm Insurance. After graduation, April continued to work for State Farm as a homeowners claims adjuster for two years before beginning law school.

While at the University of Baltimore School of Law, April was a Rule 16 Student Attorney with the State's Attorney's Office for Baltimore City, was a member of the Tax Moot Court Team and an editor of the *University of Baltimore Law Forum*. April was also a student leader for the Student Bar Association and participated in a workshop for planning for families and seniors. April graduated *magna cum laude* in May 2016. She has found an interest in Trust and Estates and Elder Law, although she finds general civil law to be of interest as well.

April highly values her time with Judge Tucker, learning a great deal from his demeanor and how to be a respected member of the Bar. She enjoys the variety and complexity of the cases that come before Judge Tucker's chambers.

When April is not working, she enjoys running, spending time with her dog, and taking day trips with her boyfriend on their Harley. Having passed the Bar of Maryland, she hopes to remain in the Howard, Frederick or Montgomery County area.
